

PLEASE STOP SPEEDING IN THE PARK!!

We have a lot of young residents in the Park that love nothing more than playing outside and running around carefree. Lets make sure to keep our young ones safe in the Park this summer!! Stick to the speed limit, STOP at the Stop signs. If you see bikes, scooters, and toys lying around...SLOW DOWN!! We want to make sure that all Residents feel safe within the Park and that parents don't have to worry about having their kids play outside.

Road signs are **NOT** just suggestions!
Rules of the road apply within the park.

If you see someone disregarding speed limits or signage, record their license plate and report it to the office. If they become aggressive, call 911.

BLOCK WATCH

The weather is getting nicer, and we have a tendency to leave out belongings outside. This may attract some individuals and your things may disappear. Lets be proactive, and keep the temptation at bay, but also pay attention to the strangers walking around the park that might not belong here. All it requires is a simple "How are you doing? Are you looking for someone particular?" You never know, they could actually be lost!. If it is suspicious, call **our dedicated Block Watch Line at 604-544-1359** to leave a message.

COMMUNITY PLANTER BOXES

The planter boxes in the far corner of the Park are available for you to start growing your veggies! Please get in touch with Wendy at Sterling Management to get yourself set up for the season. For a \$20.00 fee a planter box can be yours for the year. Wendy Nunez: 778-576-1547
